TOKYO, JAPAN, August 27, 2020— Okura Nikko Hotel Management Co., Ltd., a subsidiary of Hotel Okura Co., Ltd., announced that it will open Hotel Nikko Chengdu Yixin Lake in October 2022. Chengdu, the capital of Sichuan Province, is a new first-tier city in China and host to many of the world's leading companies. The company has contracted with Aerotropolis City Development Group Co., Ltd. to manage the new property through its joint venture BTG Nikko International Hotel Management Co., Ltd.

Rendition of Hotel Nikko Chengdu Yixin Lake

Known as “the country of heaven and land of abundance” since ancient times, Chengdu is famous for its mild climate and abundant food cultivation, making it a comfortable place to live. In recent years, it has been increasingly seen as the one of the most important cities in southwest China.

The hotel will be located in the Tianfu Yixin Lake development area in the Shuangliu district, about 20 km from the center of Chengdu. Part of an urban development project, the 8.4 square kilometer plot of land will be divided into four areas with residential, educational, medical, commercial, sports and office

facilities surrounded by greenery and lakes. The hotel will be located in the business zone, a central feature of the development project. In the future, five subway lines are planned that will cross the development area, improving access to the city and the airport.

The new hotel will feature 303 guest rooms with a standard area of approximately 45 square meters, including suite rooms. In addition to Japanese and Chinese cuisine, all-day dining and a lobby bar lounge, there will be banquet halls, conference rooms, fitness facilities and an indoor swimming pool, supporting a wide range of business and local customer needs.

Toshihiro Ogita, President, Okura Nikko Hotel Management Co., Ltd., commented, “We are very pleased to be opening our first hotel in Sichuan Province, China. The new hotel is aimed at strengthening the company’s network of properties in China. We hope to further raise awareness of our Okura Nikko Hotels brand in China.”
